Objective:

College grad seeking opportunities to gain experience in the field of animation. Zena Sutaria always has a positive attitude and a love of meeting new people. She is looking for a position at a company that matches her enthusiasm and sense of design.

Education:

BFA in Animation from San Jose State University.

Skills:

- Experienced in using Autodesk Maya for character animation.
- Proficient in using Adobe Photoshop, Flash/Animate, and Premier.
- Able to light scenes in Maya using the Arnold Renderer.

Experience:

Crossroads Comics 2018-Current

- Worked as an animator in a multimedia production.
- Animated in a large variety of shots with a quick turnaround time.
- Worked remotely in a self-paced environment.

“The String” Short Film 2017-2018

- Worked as an animator within a production pipeline.
- Met strict deadlines.
- Learned how to light scenes as a member of the lighting team.
- Worked closely with teammates to ensure that shots matched our director’s vision.

University Housing Services Ambassador 2014 - 2015

- Worked in pairs to provide the public with guidance.
- Answered questions, and addressed comments, and concerns by the public.
- Directed parking and enforced expiration of parking passes
